PRACTICE TEST INFORMATION

www.kyvl.org

        If you are at school, you do not need a user name and password.

        If you are away from school, you will need the user name and password:

                username: graves#k12

                password: quietleopard#20

On orange bar, click on "Databases"

Choose "Learning Express"

**Students will need to set up an account, so that they can save their work on practice tests. I highly recommend using the student's school e-mail address and his student login (gcsd1234) for the password. You will only need to set up one account in Learning Express.
